2014 HIGHLIGHTS

- The Randwick Park Sports Academy again proved hugely successful in motivating and encouraging students to excel themselves and go beyond perceived limitations. A focal point was the selection of one of the students for a full Rugby Scholarship at St. Kentigern College after being part of the Academy since its inception.
- The formation of a board of sponsors and mentors to help this student and his family during his time at St. Kentigern College.
- Being approached by the management of St Kentigern College to further assist a student from Ruatoria, also on a Rugby Scholarship, enabling us to make a difference in another life.
- Our Sports Academy students participating in a TV advertisement for Adidas and the All Blacks.
- The addition of two more schools to the Glen Innes Breakfast Club network (Glen Taylor and Glen Brae) thereby enlarging our ultimate community reach in Glen Innes to 800+ school children and their families.
- An increase of more than \$50,000 worth of goods and services over last year with a number of new donors approaching us to distribute unwanted goods within the wider community, in particular rice and bagels.
- Lunch and Dinner Christmas Banquets held for 600 people, with 53 volunteers taking part and goods and services to the value of \$26,000 donated (in addition to cash donations) ensuring the day was a great success.
- The many individuals, families, businesses and groups who continue to believe in what we are doing and offer their unwavering support.
