

# PROJECT CHRISTMAS BANQUET — 2013 —

## THE PLAN...

In October 2013, after consultation with the Principal of Glen Innes School, a decision was made to invite 250 adults and children to a Christmas Banquet on the 23rd of December 2013.

A budget was created with assistance from Austin's Catering and New World Southmall, and set at \$2,500.00.

A Give-a-Little web page was created and emails sent out to supporters in an effort to raise the targeted budget.

Within three weeks, the target of \$2,500.00 was reached and within six weeks we reached \$3,400.00. A further \$1500.00 was donated directly to Breakfast Club, which enabled the quantity of the food to be increased, more presents to be purchased (and for the true running costs to be met).

“EVERY FAMILY PRESENT RECEIVED FOOD AND DESSERT HAMPERS, HUBBARDS CEREAL, AND A GIFT BAG OF SWEETS.”

### THE EVENT...

20 families attended - 260 adults and children.

Every family present received food and dessert hampers, Hubbards Cereal, and a gift bag of sweets. Every child under 12 years received a present.

There was sufficient food left over to give every family at least one two litre container of turkey, lamb and vegetables. We were also able to supply left over food for a Christmas Day lunch at St Columba Church and also to some families at Randwick Park, Manurewa.

“EVERY CHILD UNDER 12 YEARS RECEIVED A PRESENT.”

“APPROXIMATELY \$15,000 WORTH OF GOODS AND SERVICES WERE DONATED TO MAKE THIS EVENT HAPPEN.”

## MOVING FORWARD...

After reviewing the 2013 Christmas Banquet, and having had received requests from St Pius X and Glen Brae Schools (both of which neighbour Glen Innes School), we have decided to again have a Christmas Banquet at Glen Innes School in 2014.

It is intended that we add a lunchtime banquet this Christmas effectively doubling the number of people we can assist (to 500). Again we will do this in conjunction with the Principals and Social Worker in Schools, at each of the three schools.

It is estimated that the budget for this dual event will be \$8,000, and the donation page on the Breakfast Club website will be up and running shortly for supporters.

It would appear at this stage that the vast majority of the supporters and sponsors from 2013 will be part of the 2014 event.

“IT IS INTENDED THAT WE ADD A LUNCHTIME BANQUET THIS CHRISTMAS EFFECTIVELY DOUBLING THE NUMBER OF PEOPLE WE CAN ASSIST..”
